

DuraCover XL™

Most Economical Tarper!

DuraCover XL™

**The most economical tarping system
for a standard roll-off or hooklift.**

You wanted to:

- Cover your load without hand-tarping
- Cover 22' boxes
- Adjust the height of the tarper
- Operate it from inside the cab
- SAVE SAVE SAVE

We listened:

- Torsion spring side arms
- Adjust the height with hydraulic gantry
- Gear box rolls tarp in and out
- Optional: inside cab-controls
- Affordability - same O'Brian quality

DuraCover XL™ – outfitting your fleet with affordable tarping.
O'Brian, over 40 years of dependability.
